HELPING YOU FEEL STRONG STEADY & SAFE

Moving For Better Balance

The SKY Family YMCA

Older adults and those with chronic health conditions often feel they must accept impaired balance and limited mobility—this is not true. You can build strength, improve balance, and gain confidence in your mobility through **Moving For Better Balance**. This is a 12-week evidence-based, instructor-led group program designed to help you improve your strength, balance, flexibility, and mobility through slow, therapeutic movements based on Tai Chi.

Moving For Better Balance includes two class sessions and two-plus hours of at-home practice per week. The program takes place in a safe and supportive group setting.

Offered at our Venice and Englewood locations!

A Y membership is not required.
