AFTER-SCHOOL CARE: (includes no school days)

Located at Imagine School: (Address) (Price)

WHY THE Y?

We go the extra mile by putting these important factors into our program:

- Licensed by the Department of Children & Families. All Y staff are background screened, plus we have lower ratios, which means more individual attention for your child.
- A focus on healthy living and physical activity.
- All of our role models (aka counselors) are CPR & First Aid certified.
